    <p>Though the times have changed traditions are still alive. that is what Soul Korea is all about. We are keeping the korean tradition alive by
    bringin our customers authentic traditional korean food. Soul Korea is committed to making tasty and enjoyable dishes for our customers to enjoy,
    while also spreading the korean culture. Our dishes are freshly made each and everyday with the vegetables and meat from farmers and fish from the
    local fish market. With the addition of our friendly staff we will make sure that you have an enjoyable comfortable experience here at Soul Korea
    restuarant.
